DMR asks that you submit conservation closure requests at least **20** days in advance of the scheduled closure as required by DMR Regulations Chapter 7. **Permit requests submitted less than 20 days in advance will be denied.** DMR also reminds you that there is a mandatory 5 day notification period for all conservation closures. Please be sure notification and public postings are made accordingly.

This office approves of the Town of Brunswick's conservation measures. We appreciate your efforts to keep us informed on your conservation activities.

If I can be of further assistance, please don't hesitate to contact me.

Sincerely,
